# COME JOIN US FOR TSSC NIGHT AT VERTICAL EXCAPE!!!

Have you ever wondered what it's like to scale a 32 foot wall? Well, you will have a chance to find out, if you join us on Wednesday, November 16. TSSC club members are invited to receive a rock wall climbing/belay lesson, rental of harness, shoes and chalk bag, and a rock wall climbing pass for the evening for only \$10. This package normally costs \$25. The rock wall climbing gym is limiting us to only 6 people for the evening, so if you want to try this out, call or email Nancy Scherer soon. Phone # 476-1305; email address: [n.scherer@insightbb.com](mailto:n.scherer@insightbb.com).

If more than 6 people respond, I will look into scheduling a second day some time in December or January. (Three spots are still available on the first day.) The lesson starts at 7:00 on the evening of November 16, but you will want to be there by 6:45 at the latest to get your gear on before the lesson begins. Once you have completed the lesson, which takes about 20 minutes, you will be free to climb for as long as you want that evening. If you are not sure you want to do this, you might want to look at Vertical eXcape's website at [www.verticalexcape.com](http://www.verticalexcape.com). For anyone wanting to get fit, rock wall climbing is about the best exercise around, and it's a fun way to work out. It burns more calories more quickly than most other sports. You don't have to be in good shape to start climbing. Everyone goes at their own pace. Hope to see you there.

—Nancy Scherer

## HEY AMERICAN...THE TSSC RED NECKS HAVE ARRIVED

Yew all TSSC Members that didn't git to the RED NECK PARTY ON THE OHIO (Home of Pattie Davis) just ain't with it... Red Necks were everywhere, gathered round the campfire, eatin' beans n' cornbread, and drinkin' up hooch. The grubs (outfits) were a hoot: Luan and Sue tattooed lookin' like two Red Neck Babes, Jan Tucker so cute with a ponytail and a Colonel Sanders handbag, David Gonnerman lookin' mean and dirty, Steve Yancey lookin' cute and sexy with a long black wig, and Bill and Bobbie Weaver in bib overalls lookin' like they just arrived in a pickup. Coon skin hats, NRA ballcaps, straw hats and patriot pins, made a fashion statement. (ain't sure what statement) Tsubasa Ohki and Nova Conner grilled up mean Kentucky Steak Sandwiches (German Balony) that were attacked by the Red Necks. With gallons of hog jaw and beans (ham n' beans) bein' scuffed down, the Hostess was appreciative that the Red Necks did not spend the night.

**A HELLUVA GOOD TIME WAS HAD BY ALL OF US 'NS, SORRY FOR YEW 'UNS THAT MISSED IT**

## Skydiving Report

3 + 1 adventurous folks headed to Carmi IL to make their first sky diving jump, Monday, Oct 17.

Dave Gonnerman, John Hunt, his son Chris and for beauty and moral support Nancy Scherer joined us.

Following an hour of instruction on the ground, individually we entered a very small plane with our instructor. Chris went first, followed by David and John picking up the last spot.

The climb to over 10,000 feet seemed like it took forever. The moment of truth happens quickly when the door opens and he says get ready.

Saving the moment, we all ordered photos and a DVD of ourselves in the plane and actually during the jump. The instructor, *to whom you are securely strapped*, also manages to hold a movie camera. We will share the adventure at a future meeting.

It was a fun day. Memorable event. We tip our hands to our instructor who made us feel very safe.

—David Gonnerman

## Lincoln State Park Hike

*I wasn't able to participate in the October 15<sup>th</sup> hike at Lincoln State Park, and I didn't get a written report, but I did get this picture, so it must have been a success. It was a beautiful day, and it looks like nine TSSC members made it out there.*
